SPECIAL ADVISEMENT

☐ fill & loss will occur when imprinting.

SPECIAL NOTE:

We print with uncoated colors &
our metallic inks have a matte finish.

Since colors vary from monitor to
monitor, please reference a pantone
book for accurate reference.

We will match to within 1 shade on a
PMS match and 2 shades on a standard color.
Contact your CSR for further questions.

This proof represents position & layout only
& will not show detail fill/loss or registration
problems that may occur during printing.
Please order a press proof if this is a concern.
